20 December 2016

Dear Hope Christian College Community,

A recent article by an academic who does not support Christian beliefs accused Christian schools of “crucifying education”. At this time of the year when much of the world pauses to remember the birth of Jesus Christ, we can safely reject such outrageous accusations, and can celebrate with our Year 12s some excellent 2016 SACE results. Truly, our students have flourished at Hope Christian College.

To those who achieved Subject Merits (A+ grades), we offer our special congratulations on standing amidst other students of fine calibre in the top 2% of the state. To those who earned A grades in a range of learning areas, we say, “Well done!” And to those who accomplished their goals or reached personal bests, we want you to know that we are proud of you.

It would be remiss of us not to mention the teachers and families who have played a part along the way. Your ongoing love and support no doubt contributed greatly to our Year 12 students’ success.

Our College verse encourages us: “Whatever you do, do it with all your heart, as for the Lord rather than for people” (Colossians 3:23). As we celebrate the graduating class of Hope Christian College, we also celebrate the **H**ope, **O**pportunity, **P**romise and **E**xcellence that inform the mission and culture of our College. Finally, we celebrate with the Year 12 cohort as they take their everyday, ordinary lives – their sleeping, eating, going-to-work and walking-around lives – and place them before God (Romans 12:1). We know that God will bless.

God’s richest blessing,

Dominic Hopps
Principal
