

Year 12 Results 2018

18 December 2018

Dear Hope Christian College Community

Christmas is only a week away. Besides being an indication of the fleeting nature of life, it is also a tremendous time to celebrate when God deliberately and lovingly entered humanity. It is also a time to celebrate with our Year 12s at the release of their results.

We celebrate with our students who obtained Subject Merits and other excellent results, with our students who achieved outcomes that were higher than anticipated, and with our students who reached highly sought after goals.

Well done to Anne Fisher for earning a Subject Merit in General Mathematics. Also, the following students from our small 2018 Year 12 cohort earned A grades in a range of subjects: Alakiir Deng, Anne Fisher, Callum Henderson, Elizabeth Heuer, Maisie Hill, Aimee Kochergen, Vivana Luzochimana, Zaelia Millward, Alistair Scott, Olivia Sewruk, Jai Wakombe, and Lisa Wojnar.

We would also like to take this opportunity to offer a special congratulations to **Anne Fisher**. She worked consistently and industriously throughout her studies, and thoroughly deserves the title of the **2018 Hope Christian College Dux**.

All staff members at Hope Christian College believe in developing the whole child in a caring, nurturing environment in the knowledge of the gospel of Jesus Christ. Let us always be mindful of this visionary statement, as well as the incredible truth that our “hope of glory” is “Christ in us” (Colossians 1:27).
