PAYMENT OF COLLEGE FEES

Term 2 Fees are due for payment on **Friday 21st May**.

If you would like to setup a payment plan for your 2021 Fees, or if you are having difficulty meeting your College Fee payments, please come and see either Kelly Carson or Karen Fielke and we would be happy to discuss options with you.

Please remember to always include your FAMILY CODE when making deposits to the College account. This code can be located at the top of your Fee Statement.

PAYMENT OF BUS FEES AND MUSIC TUITION FEES

Term 2 Bus Fees and Music Tuition Fees are due for payment on **Friday 21st May**.

SCHOOL CARD

Please apply for School Card Concession NOW if you have not already done so. The simplest way to apply is on-line at <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme>.

Alternatively, a printed copy of the form can be obtained from the College Office. Please ensure your form is provided to Finance as soon as possible.

A FRIENDLY REMINDER FOR STUDENTS LEAVING COLLEGE FOR APPOINTMENTS

For early pickup please write a Diary Note so that the teacher can have your child ready to leave. Diary Notes are an efficient way for you to communicate with the teacher. Older students can show them to their teacher in class if they need to leave for an appointment.

Missions Walkathon 2021

Miss Curea's awesome students all powered up to do their laps of the school grounds to raise money for a very worthwhile cause.

In Week 3 friends, family and staff generously sponsored students to raise money to be allocated to Reaching Beyond for the support of a community school in the Philippines and missionary team work with our neighbours in Papua New Guinea. Well done everyone!

SACSA Athletics Carnival

HOPE CHRISTIAN COLLEGE TRIUMPHS!

The moment they announced Hope won!!

Euphoria. Pure euphoria. That was the feeling when Hope Christian College was announced as the winner of Division 2 at the 2021 SACSA Athletics Carnival. This victory was sweeter than drinking Cottee's lime cordial straight from the bottle, and more tense than Mr Barnes teaching about past participles. Hope Christian College sent a team of 50 to the SA Athletics Stadium in Mile End on the 26th March 2021, to compete against other SACSA schools, but these students were more than athletes. They were Spartan warriors. They were T-1000s. They were an army of elves at Helms Deep. Nothing could stop this team, (except for the bus that broke down on the way home). Hope Christian College broke 30 athletic records on their way to victory, defeating schools like Southern Vales and Portside. The margin of victory was infinitesimal. *Only three points.* That equates to one result in one event over the entire day of competition. For Mr Jory, who we all assume has been teaching PE for more than half a century, and for Mr Penn, who we all assume is still 19 years old, this was a victory well-earned, hard-fought, and one that was years in the making!!

This victory catapults our school into Division 1 Athletics next year!!

Congratulations!

Open 100m Sprint

Record breaking Jasmin D and Kyle B.

4 x 100m Relay team

Kyle B, Reece P, Connor L, Joseph B.

All praise and recognition needs to go to the athletes, who ran, jumped, threw and cheered our team to victory.

I don't know much about anything important, but what I do know is that when Usain Bolt goes to bed at night, just before he turns out the light, he stares at his poster of Kyle B on his wall, and he hopes that one day he can be as fast as him...

Preparations are already being made for the 2022 Victory Parade.

CONGRATULATIONS!

Year 11 Careers Expo

In Week 2 the Year 11 students along with Mrs Fay Alford, Mrs Elizabeth Schwarz and Mr Phil Tarrant visited the Careers Expo at Adelaide Showgrounds. Many students took the opportunity to ask questions, seek information and collect brochures (as well as pens). There was a good variety of trainers, universities, apprenticeship networks and employment agencies along with the usual impressive Defence Force display. A small group of

students were privileged to meet Mr David Pisoni, Minister for Skills and Innovation, who spoke to them about career pathways and training opportunities.

After lunch, students travelled to nearby Tabor College where they were given a tour of the campus and information about a variety of courses such as Theology, Ministry, Intercultural Studies, Education, Counselling and Youth Work. They also participated in a fun Library book search activity and were rewarded with a chocolate for their successful efforts.

Science Department

So much fun learning from experiments and extracting DNA from kiwi fruits to making pineapple scents.

Year 10 Scientists extracting DNA from kiwi fruits.

Year 12 Chemists – practicing their titration skills!

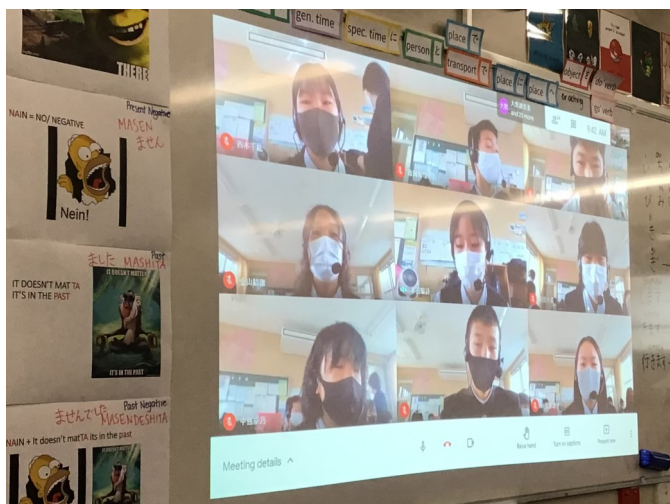

Science Club runs every Tuesday during Primary Lunch for Years 1 to 5. Making Lava Lamps!!

Japanese Exchange

The Language faculty has successfully started a language exchange program with Otori Junior High School in Hiroshima, Japan. Over the last couple of months, both schools have been planning the

exchange program through online meetings and emails. Due to COVID, we only had limited options, video call sessions and letter exchange. Nevertheless, we were just thankful for this opportunity as this was something that we really wanted to establish.

This term the Year 10 Japanese class had their first 30-min video call session. They were very nervous at the start but got confident as they went, and ended up singing "itadakimasu" (equivalent to *bon appetit*) song to the Otori students! Although their faces were covered in masks, we could all hear them laughing out loud.

If you see any of these students today - Nem Nu, Achok, Alek, Vanesa, Jacob, Jay, Toby and Alex - please praise them, give them a pat on their back. The way they presented themselves, respectfully and friendly was beyond impressive!

Canteen Volunteers

Extra volunteers are currently needed. The canteen is open from 8.30am-2pm and provides wonderful nourishing food for students and staff alike. If you have a couple of hours to spare to help out please contact Samantha Dragon through the school office or walk up to the canteen to speak with her in person.

Japanese Children's Day

May 5th was Kodomo no Hi or Children's Day in Japan - a chance to celebrate children's health and happiness. To celebrate at Hope Christian College we made Koinobori (carp fish kites). These are traditional decorations displayed on Children's Day. Koinobori are strong and so represent the strength and resilience Japanese parents want their children to grow up to have.

Year 11 Outdoor Education

Canteen Winter Menu

Have you tried the new online ordering system called "QKR". It's an app that you can add to your phone to quickly order your child's lunch the night before. Easy! Check it out on the College website.

Year 7 Camp

This year the Year 7 cohort went to camp in Week 2. We spent our camp this year at El Shaddai Christian Youth Camp at Murray Bridge. This camp tested a lot of the student's fears, resilience and team work. It was pleasing to see all of the students step out of their comfort zones and try all of the challenges. Some of these challenges were Rock Climbing, the Giant Swing, Canoeing and Archery. At night time, students had the opportunity to get to know each other around the camp fire.

Summer Season Basketball

U14 Hurricanes (Champions)

Congratulations to all players and their families for a great summer season with 4 of its 8 Monday night teams making their respective grand finals. A special thanks goes to Jannah Jackson, Jack Morris, Shane Hardie and Mr James Hutchison for coaching and managing teams this season.
