## Twilight Tours

### TWILIGHT TOURS IN TERM 4

Do you know of a family who are not currently attending the College and are interested in having a College Tour?

Please let them know to contact the College on 8287 1111 to book. Dates:-

**Tuesday 19th October 5pm-Week 2 Term 4**

**Wednesday 27th October 5pm-Week 3 Term 4**

## MS Crew RSPCA Fundraiser

### \$400 RAISED

In Week 8 of Term 3 the Middle School Crew ran a fundraiser and supply drive event raising money for the RSPCA in South Australia. The enthusiastic and capable Middle School Crew organised a series of displays, bake sales, pet food collections, colouring competitions, murals, face painting and dress ups to generate donations for this very worthy cause.

## Finance Matters

### TERM 4 ACCOUNTS

Term 4 Accounts have all been issued via email and are due for payment by the **5<sup>th</sup> of November**. If you have not received a statement, please email [finance@hopecc.sa.edu.au](mailto:finance@hopecc.sa.edu.au). If you have not yet paid your Term 3 Fees or do not have a payment plan in place, your fees are now **OVERDUE** and payment is required as soon as possible.

If you are having difficulty meeting your fees and require assistance, please contact Kelly Carson or Karen Fielke in the Finance Department to make an appointment to discuss your situation.

**FAMILY CODE** Please remember to always include your **FAMILY CODE** when making deposits to the College account; this code can be located on the top of your Fee Statement.

## Performance of Amphibian

Year 10 and 11 students travelled to the Windmill Theatre at the end of Term 3 for a live performance of *Amphibian*.

"Based on the real-life testimonies of refugees, *Amphibian* sees past, present and dreams collide in an epic story of displacement, loss and adapting to different worlds. Poignant, powerful and bubbling with humour, *Amphibian* is sparkling teen drama that brings one of the most urgent issues of our time roaring onto the stage."

## Masks

A reminder that Year 8-12 students are required to bring a mask to school each day. The College has an emergency supply of disposable masks available for when students forget their mask. However, the supply of masks is running out due to the large number of students who do not bring their own mask to school. Please ensure that your children bring a mask to school each day. *Thankyou!*

## Outstanding effort!

### STATEWIDE YEAR 7 BASKETBALL FINALS

On Wednesday 15th September Hope Christian College competed in the State finals for Year 7 basketball, after winning through to SA's version of the 'Sweet Sixteen' on August 24.

After a disappointing loss to Highgate in the first game, we were outclassed in game 2 against Pultney Grammar. In our last pool game we fought

out a hard earned win against Largs Bay and ended up 2nd in our pool after a 3-way tie.

The boys fought against very stiff competition from St Francis deSales and then Immanuel College. Finishing 8th out of 16 was a pleasing achievement, but finishing 8th in a pool of 130+ schools was an outstanding accomplishment.

Well done to the boys for their hard work. The highlight on the day was arguably playing 'street ball' on the outdoor court in between games and watching Concordia blitz the competition (fortunately in another pool) by playing really good team basketball. Shout out to Ethan J for scoring diligently on the day.

## Yr 10 Grill'd Excursion

### GOURMET BURGER ASSIGNMENT

In Week 9 of Term 2 the Year 10 Food & Hospitality students ventured to Grill'd at Modbury to sample some healthy burger options for their upcoming Gourmet Burger assignment.

The students, (some more adventurous than others) experimented with and enjoyed a variety of burgers and trimmings, including zucchini chips, a plant based cheeseburger, healthy fried chicken and sweet potato chips.

Notable comments from the students included:

***"This burger is too hard to eat because it's so big"***  
***"I loved the sweet potato fries but I wish they were made with purple sweet potato, they're way better than orange ones"***

***"I really enjoyed it. I'd come back again"***

***"I know he didn't want relish on his burger, but I relished mine"***

We all left satiated and motivated to finish the burger assignment rigorously.

I am excited to see the students use this experience to shape their burger modification practical assessment.

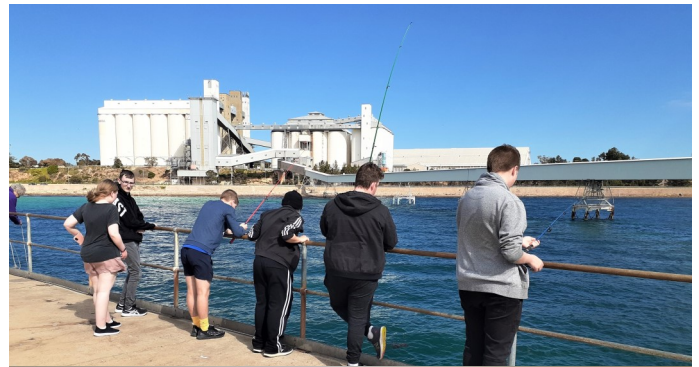

## Year 11 Camp Wallaroo

### CHRISTIAN TRADITIONS

This year the Year 11 cohort went to Wallaroo on the Yorke Peninsula for camp in Week 9 of Term 3. This camp was linked to Year 11 Religion Studies, where we have been exploring different Christian Traditions. As a cohort we have looked at baptism, Bible reading and worship in class. However, on camp the students continued to explore Christian traditions and had the opportunity to participate in preparing and partaking in communion, prayer and devotions. In between sessions, students visited the Wallaroo Heritage museum, played sports and went fishing. On the second night, students participated in a quiz night, where each table dressed up and worked together to answer questions across a variety of topics. This brought out our students' competitive side.

## Sports Day Reception-Yr2

### Go Saint, Fleming and Elliot!

The Reception-Year 2 Sports Day was held at the end of Term 2 and we were very blessed to have beautiful spring weather! The Oval was a sea of colour, with students dressing in their Red, Green and Blue House colours.

A select group of Year 5's were chosen to help facilitate the running and scoring of a number of different stations which Reception-Year 2 students rotated through. Stations included long jump, distance throw, sprints, and fun novelty events. The Year 5 students were absolutely outstanding in encouraging the students and making the day run smoothly!

Overall, it was a fun-filled day providing all Junior Primary students with an opportunity to utilize the skills they had been learning in PE to help them participate in each event.

***A BIG thank you goes out to the teaching staff, student support staff and parent volunteers for making the day possible.***

## Music Concert

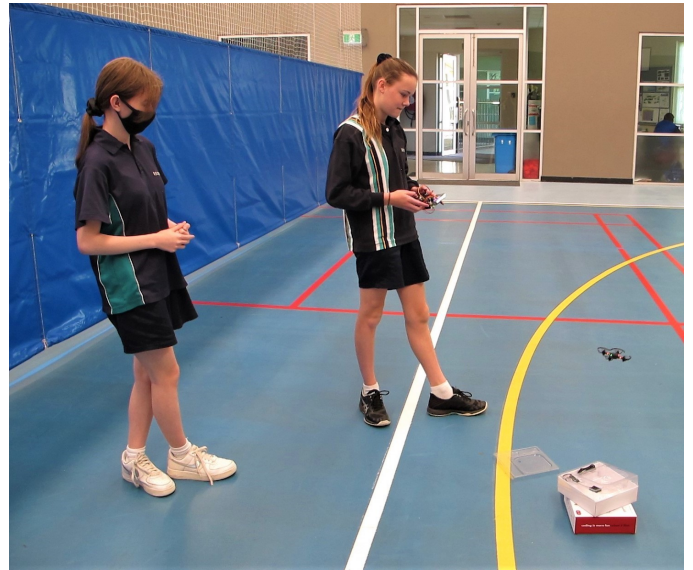

### MUSIC SHOWCASE

Mrs Triplett, Mr Burden and other staff members enjoyed the performances of 27 students from Year 7-12 at the Hope Music Showcase at the end of Term 3 in the Church Cafe. Well done to all the students for their wonderful contributions!

## Droning on...

### DIGITAL TECHNOLOGIES

Digital Technologies is growing in scope and ambition at Hope Christian College.

The College has recently acquired a suite of CoDrone Pro micro drones. Over the last week a Year 8 class had the chance to build the remotes for these drones and then fly them for the first time in Term 3. Students worked in groups of two or three. They set up the remotes and drones, calibrated and then flew them. The aim of the lesson was to perform a controlled take off, fly a few metres and land on a small helipad.
