Dear Hope Christian College Community

Apparently, there exists a scientific law that states that the speed of time increases with age – the older we get, the faster time goes. I can vouch for that. There is also a well-known passage in the Bible that reads, “What is your life? You are a mist that appears for a little while and then vanishes” (James 4:14). I can vouch for that as well.

As life gallops apace into the future, it is refreshing to slow down, to pause, to take the time to celebrate with those who obtained commendable SACE results, with those who achieved outcomes that were higher than anticipated, and with those who achieved mightily sought-after goals.

Well done to the following students from our 2022 Year 12 cohort, who eclipsed a competitive field across South Australia and the Northern Territory, who achieved highly longed for Subject Merits (top 2% of results): Matilda Feast, Caleb Rundle and Julianna Vibal; and who earned A grades in a range of subjects: Bonolo Bonokwane, Matilda Feast, Bailey Grace, Isabel Hubrechtsen, Issabella Hulls, Ajay Kumar, Alea Nikolettos, Jessie Rouse, Caleb Rundle, Aimee Runholm, Anastasia Santos, Sarah-Ann Scannell, Hannah Thompson, Julianna Vibal and Adelaide Williams.

It gives us great pleasure to extend a special congratulations to **Sarah-Ann Scannell**. She worked resolutely throughout her studies and categorically deserves the title of the **2022 Hope Christian College Dux** (with an **ATAR** of **94.60**).

The College verse (Colossians 3:23) spurs us on with these motivating words: “Whatever you do, do it with your whole heart as unto God”. As we make good use of the time God has generously given to us, let us not go through life merely doing the minimum that will get us by. Let us do our very best, working from our heart for the King of Kings and Lord of Lords ... before our time runs out.

God’s richest blessing
